The Thinker's Guide to Analytic Thinking

It's no secret that link building is the most important skill in SEO. In fact, it's a culmination of several different skills: you need to master content, sales, programming, psychology, and good old-fashioned marketing if you want other people to link to your site.

Link Building for SEO: The Definitive Guide (2018)

The Complete Guide to Shodan is the official book written by the founder that explains the ins and outs of the search engine. Readers will be introduced to the variety of websites that are available to access the data, how to automate common tasks using the command-line and create custom solutions using the developer API.
