concepts relate to the core values which guide the practice of Healing Touch. Healing Touch Healing Touch techniques used in the etheric field are acquired along with an understanding of how these techniques

FOUNDATIONS OF HEALING TOUCH COURSE SYLLABUS

developed her energy practice. Having Healing Touch available to myself and my siblings as teenagers, we soon learned that Mom could help with all types of things from headaches, to broken bones, PMS, emotional issues of teens (including heart aches), as well as stress management. We were so very blessed to have this type of non-invasive and effective modality available to us. Because of my ...

Magnetic field activity during psychic healing: A preliminary study with Healing Touch practitioners Psychic healing, involving the paranormal abilities of healers, has re-invented itself in the cultural mainstream as "energy medicine".

Magnetic field activity during psychic healing: A

The Healing Touch Guidebook is an excellent resource for the Healing Touch student, healthcare professionals and for people interested in Energy Therapies. The book covers theory and practice, scientific background and research and practical how-to applications. I loved the final section on the future visions for Healing Touch and energy medicine. The use of energy modalities for prevention ...
