Mental Health First Aid Australia is committed to providing high quality, evidenced based mental health first aid education to everyone. We believe that every workplace should help promote good mental health, prevent mental illness and have the tools to support people with mental health problems.

Mental Health First Aid Officers | Mental Health First Aid

The theme of this year's World Mental Health Day, observed on 10 October, covers "psychological first aid". Efforts in support of the day will focus on basic pragmatic psychological support by people who find themselves in a helping role whether they be health staff, teachers, firemen, community workers, or police officers.

WHO | World Mental Health Day 2016

Mental health and mental illness. According to the U.K. surgeon general (1999), mental health is the successful performance of mental function, resulting in productive activities, fulfilling relationships with other people, and providing the ability to adapt to change and cope with adversity.

A mental health history including asylum and community care periods, with links to Andrew Roberts' book on the Lunacy Commission and other mental health writings, and the asylums index and word history.

Mental Health History Timeline - Andrew Roberts

Children’s mental health problems are real, common and treatable. Although one in five children has a diagnosable mental health problem, nearly two-thirds of them get little or no help. Untreated mental health problems can disrupt children’s functioning at home, school and in the community. Without treatment, children with mental health ...
