### **millennials and u s pdf**

Millennials, also known as Generation Y or Gen Y, are the generational demographic cohort following Generation X and preceding Generation Z. There are no precise dates for when this cohort starts or ends; demographers and researchers typically use the early 1980s as starting birth years and the mid-1990s to early 2000s as ending birth years.

Is the American public becoming less religious? Yes, at least by some key measures of what it means to be a religious person. An extensive new survey of more than 35,000 U.S. adults finds that the percentages who say they believe in God, pray daily and regularly go to church or other religious services all have declined modestly in recent years.

### **U.S. Public Becoming Less Religious | Pew Research Center**

Racially diverse, economically stressed and politically liberal, Millennials are building their own networks through social media “ rather than through political parties, organized religion or marriage. Half now call themselves political independents, the highest share of any generation.
