Technology has become the key to a new world of education. Online learning/e learning has become one of the most popular ways of gaining access to an education.

## What are the advantages and challenges of online learning

The International Space Station (ISS) is a space station, or a habitable artificial satellite, in low Earth orbit. Its first component launched into orbit in 1998, with the first long-term residents arriving in November 2000. It has been inhabited continuously since that date. The last pressurised module was fitted in 2011.
