The Most Effective Way of Organizing Your Files, Folders and Documents. By Brooks Duncan | 56 comments. One of the simplest and most overlooked aspects of being organized is getting your computer files organized.

### **The Most Effective Way of Organizing Your Files and Folders**

Note-taking (sometimes written as notetaking or note taking) is the practice of recording information captured from another source. By taking notes, the writer records the essence of the information, freeing their mind from having to recall everything. Notes are commonly drawn from a transient source, such as an oral discussion at a meeting, or ...
