Perspectives on Disability was conceived as a way to generate local information for use by the Centre and at the same time contribute to the very small body of literature on the intersection of disability and specific cultures that is currently available to frontline service providers.

Perspectives - Final Report - Feb'05 - SettlementAtWork.org

First, traditional Biblical and theological perspectives on disability give the impression that disability is a tragedy and a punishment or curse from God for sin. Several texts in both the Old and New Testaments adduce to this. Second, in recent years there have been theological discussions on disability that are liberative and empowering to PWD and, while also grounded in Biblical texts ...
