The Canary Lovers Guide To Preventing Your Canary Bird's Death

A pet or companion animal is an animal kept primarily for a person's company, protection, or entertainment rather than as a working animal, livestock, or laboratory animal.

Pet - Wikipedia

Over the years, pets have evolved from being a strange and wonderful distraction to an integral part of families all over the world. As human populations have grown, so too have pet populations, and with so many pets on the planet itâ€™™s fascinating to see just how this population is dispersed.
