Popular research narratives; stories of research

PDF | In the last two decades, narrative has acquired an increasingly high profile in social research. It often seems as if all social researchers are doing narrative research in one way or another.

(PDF) Introduction: What is narrative research?

[Show abstract] [Hide abstract] ABSTRACT: Narrative inquiry refers to a subset of qualitative research designs in which stories are used to describe human action. The term narrative has been ...

Qualitative research design for narratives

By reading narrative, we escape the anxiety that attacks us when we try to say something true about the world. This is the consoling function of narrative – the reason people tell stories, and have told stories from the beginning of time. •
