The trick is to learn how to listen to yourself in a certain way so that you can change your beliefs from automatic to conscious. This takes them from the "unconscious" (subconscious) part of our mind directly into our conscious and aware mind where we then can "look them in the face" and decide if they are welcome in our lives.

How to Change Your Beliefs and Find Your List of Core Values

Accept where you are. You can't change the way you think if you can't (or won't) identify the problem. Accepting that you have negative thoughts and feelings, and that you don't enjoy how you're currently responding to them, can help you begin the process of change.
